

E-learning on GST

The GST & IDT Committee, has been continually putting in untiring efforts to facilitate all stakeholders in updating their knowledge of GST through technical publications, certificate courses, CPE programme and live webcasts etc. Working in this direction, the Committee has hosted “*E-learning on GST*” at the Digital Learning Hub (DLH) of ICAI, for the benefit of members at large. The objective of this e-learning module is to upskill members with the basic and updated knowledge of GST in a systematic manner.

Any member may log-in at [ICAI Digital Learning Hub](#) by using his/her SSP credentials and subscribe to the product [E-Learning on GST](#) without any fee.

The salient features of E-learning on GST are as follows:

- All the major topics of GST have been covered in this e-learning module.
- Lectures/sessions of highly experienced and knowledgeable faculty have been uploaded and can be viewed any time as per the convenience of the members.
- Power point presentations can be downloaded for the reference.
- MCQs have been added in this e-learning module for self-assessment.

Members must not miss this opportunity to build their capacities in GST.

The GST & Indirect Taxes Committee actively seeks your valuable suggestions and inputs at gst@icai.in, for development of the profession, with a special emphasis on GST, at all times.
