

ICAI invites suggestions on practical issues faced by taxpayers in GST compliance

One of the primary objectives of the GST & Indirect Taxes Committee is to regularly examine GST law & procedures and to submit suitable suggestions to the Government to make GST law and compliance simple, transparent and taxpayers friendly.

Keeping with this objective, the Committee is in process of compiling suggestions on practical issues being faced by the taxpayers in key GST procedures namely, Registration, Refund, Input Tax Credit, Tax Demands and the likes for submission to the Government.

Recognising the experience of the members in implementation of GST in their work on a daily basis, the Committee is inviting suggestions on practical issues/hurdles faced by the members/taxpayers. The suggestions can be shared at the following link latest by **31st March, 2025**:

<https://idtc.icai.org/cc/apps/multiple-new-suggestion.php>

The suggestions found relevant by the Committee will be submitted to the Government.
