

Introduction of IMS Offline Tool

Apr 21st, 2026

The Invoice Management System (IMS) was introduced on the GST portal from the October 2024 tax period enabling the taxpayers to take actions on invoices uploaded by their suppliers through GSTR-1, GSTR-1A, or IFF, including accepting, rejecting, or keeping such records pending in the system.

To continuously enhance the taxpayer convenience and facilitate ease of compliance, an IMS Offline Tool has now been introduced in the GST system. The said offline tool is based on MS excel making it easy to use by the taxpayers and it enables them to undertake actions on both individual as well as bulk invoices in an efficient manner.

For detailed advisory on the IMS offline tool kindly click on the [link](#).

Thanks,
Team GSTN
